DETAILED ACTION

Receipt is acknowledged of the information disclosure statement and response filed 05/05/2009 and 05/04/2009, respectively.

The terminal disclaimer filed was not accepted by the office because the attorney who filed the disclaimer is not of record. The rejection under the judicially created doctrine of obviousness-type double patenting cited in the previous action is therefore maintained in this action.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
